TECHNICAL PAPERS

THE ISP INTERNATIONAL SYMPOSIUM OF COMMISSION VI

Kraków, August 8-10, 1978

141  
148  
The papers were presented at the International Symposium of Commission VI on Planning, Economy and Education in Photogrammetry. The Symposium was held in the Stanislaw Staszic University of Mining and Metallurgy Kraków /Poland/.

The Symposium was sponsored by The Photogrammetric Research Section of The Institute of Mining and Industrial Geodesy of the University.

154  
The meeting was held under the auspices of the International Society for Photogrammetry and of the Polish Society of Photogrammetry. This volume comprises all the papers that were presented at the symposium.

165  
170  
The Symposium was attended by 60 participants from 19 countries, but papers and reports were sent from 21 countries.

176  
We have 5 technical sessions, with one joint session of Commission VI - W.G.5 /Planning Economy and Professional Aspects/ and Commission V - W.G.2 /Cost Effectiveness of Close-Range Photogrammetry/.

189  
199  
At the Symposium 17 papers and 4 Activity Reports of Working Group /1,3,4,5/ were presented.

The Symposium gave the image of a present state of affairs in the Commission and gave us an opportunity to built up Commission VI program for the 1980 Hamburg Congress.

The papers are printed by offset technique in standard format in the size provided by the authors.

Prof.Dr.Habil. Zbigniew SITEK  
President of ISP Commission VI

The Symposium was organized by the International Association of Agricultural Chemists (IAAC) and the International Union of Pure and Applied Chemistry (IUPAC). The Symposium was held in the city of Hamburg, Germany, from August 2-10, 1978.
